

Notice to Exhibitors / Vendors

To all Vendors,

Exhibitors at Elburn Days are welcome to hold raffles at their booths. We ask, however, that Exhibitors refrain from holding a raffle that directly conflicts with a raffle conducted on the grounds by the Elburn Lions Club. Please contact Phil Albano, Elburn Days Raffle Coordinator, for an updated list of our raffles but generally the club holds a 50/50 and new car raffle, as well as sells fundraising calendars.

The club also asks that you provide information about your raffle to the Elburn Days Raffle Coordinator when he visits your booth on Friday or Saturday. He will ask you about what item or service is being raffled and your plans for selecting and announcing the winner(s). Please be aware that the Elburn Lions Club strongly prefers that all raffle winners be chosen, and the names provided to the Elburn Days Raffle Coordinator, by Sunday night August 20, 2017. This will allow the coordinator to compile a list of winners and announce the same from the Main Stage at 8 pm. The coordinator will discuss this with you when he visits your booth.

Finally, the Elburn Lions Club publishes the names of all raffle winners, their home towns, and the prizes won on our website. Your organization will also be cited. The same list is provided to the Elburn Herald and other local newspapers, as appropriate.

Thank You,

Elburn Lions
